Dear Ms. Thompson,

Thank you very much for your company's sponsorship of our 2014 Annual Build-a-Thon event on July 11 and 12. Your corporate check #4231 for \$3,000 was received on July 21, 2014. With your support, we successfully achieved our fundraising goal of \$20,000.

Your CBRE Cares team in Honolulu joined more than 130 other volunteers who donated their labor and aloha at the Kumuhau, Waimanalo build site, working side by side with our partner families, community friends and construction supervisors on five new homes. We hope it was a meaningful experience for everyone.

Together we work to assist families who otherwise could not afford conventional financing to build simple, decent homes. Ultimately, your company's involvement will help more individuals in our community to achieve self-sufficiency and realize their full potential.

We know that Habitat for Humanity's ideal of "a hand up, not a hand out" works. Throughout the world, Habitat has built more than 500,000 houses and your donation to Honolulu Habitat assists our partner families right here on O'ahu.

It is remarkable to see the community come together to help our Habitat families make their homeownership dreams a reality. Thank you again for your continued support for our projects.

Sincerely,
