Dear CB Richard Ellis,

On behalf of the current and future Habitat for Humanity homeowners, please accept our thanks for your sponsorship of \$10,000.00.

The impact of your partnership reaches beyond the four walls of a Habitat house. For Greater Indy Habitat homeowner Deshawn Waiss, homeownership meant immersing herself and family into their new neighborhood. "If you are not in a place for a long time, you cannot plant roots with anyone," said Deshawn. After moving into their Habitat home, Deshawn joined the neighborhood community through Girl Scouts, PTA, Tae Kwon Doe, Parent Power support group and as a student. "I stay in contact with my neighbors," said Deshawn. "I feel like this is mine... I love my neighborhood and neighbors."

Your contribution not only advances the Habitat mission, but it doubles its return on community impact. According to a 2012 Indiana University Public Policy Institute (PPI) impact study, for every **\$1.00 you provide, Habitat returns \$2.61 in benefits over time**. These benefits include improved mental health, improved academic achievement for children and a decreased reliance on social services.

Since 1987, financial resources like yours have collectively helped Habitat provide **more than 400 homes in Greater Indianapolis**. By leveraging volunteerism, community in-kind contributions and support like yours, low-income families and individuals are realizing transformed lives and local communities are being changed. We recognize that we are only able to provide homes through the continued generosity, support and prayers of those that believe in our ministry. On behalf of the board, staff and the thousands of annual volunteers, we sincerely thank you again for helping those in need of safe, decent and affordable housing.

Sincerely,

Jim Morris
President & CEO
