Dear Kathleen,

On behalf of Habitat for Humanity of Greater Los Angeles (HFH GLA), thank you for CBRE Group, Inc.'s support in 2013. Your donation continues to help us build hope, lives and communities throughout the greater Los Angeles area.

This past year was an exciting year for our affiliate, fully of extraordinary growth. We served 108 families, the most we have ever served in a year! We have made an impact not only in the lives of those 108 families for years to come but we have also made a significant investment to revitalize their neighborhoods. In the last year, we have made a direct economic investment of \$25 million into our communities, translating to an economic impact of \$175 million.

Thank you again for your commitment to supporting our efforts to serve those in need. Together, we will ensure that safe, affordable housing remains within reach of hardworking local families. Best wishes for a peaceful, happy and healthy 2014!

Sincerely,

Erin Rank  
President and CEO
